

Inclusion Town Hall

Local Sponsors:

Central Illinois Down
Syndrome Organization

Heart of Illinois Down
Syndrome Association

Join Early CHOICES and STARNET for an evening focused on the experiences of families who have children with disabilities, and how **preschool inclusion** made a difference in their lives. We will hear from providers who support children too. We know inclusion is upheld in the law, research has shown it is effective and federal guidelines support it; now we listen to the great things that happen for children with disabilities and their families when they are meaningfully included in their early childhood community.
